

Channel 6 Protection/Grandfathered Status

Educational Media Foundation (EMF) has updated this portion of its application to reflect its grandfathered status. K219AW was licensed in 1986 (BLFT-19860912TE).

According to C.F.R. 74.1205 (d) FM translator stations authorized prior to June 1, 1991, with facilities that do not comply with the predicted interference protection provision of this section, may continue to operate, provided that operation is in conformance with 74.1203 of this part regarding actual interference.

Therefore, EMF respectfully requests a waiver of C.F.R 74.1205 based on the fact that this facility was licensed prior to June 1, 1991.
