From John Lutton  
Councilman District 2

To: Federal Communication Commission

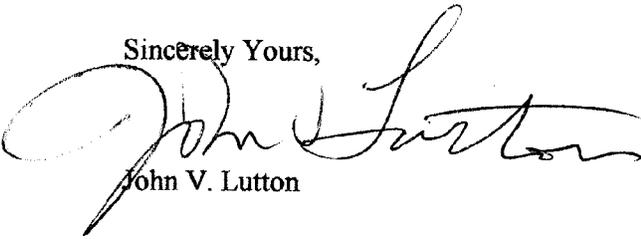

To Whom it may concern:

I am a 13 year City Councilman, past president for 10 years, 10 year member of the Board of Public Works and Safety, as well as a Pastor of a Church for 27 years in this community.

The City of Ligonier, and the churches of the community welcome the idea of a local radio station in the community. All of the churches are anxious to make good use of the station by providing helpful and inspirational information and music to the community; and to keep it informed of their activities.

The City of Ligonier can make good use of the station by keeping people up to date about the activities of their city government, and proposed changes in local laws.

Sincerely Yours,

John V. Lutton
