Note 4 to Section 73.3555 of the Commission's rules provides that the multiple ownership rules will not be applied to applications for assignment of license or transfers of control to heirs or legatees by will or intestacy if no new or increased concentration of ownership would be created among commonly owned, operated or controlled media properties. The instant transfer application and the related transfer applications are being filed with respect to the proposed transfer of the stock of Grant Company, Inc. to family trusts as part of Mr. Grant's estate plan and no new or increased concentration of ownership will be created by consummation of the proposed transfers.
