

Three Angels Broadcasting Network
Dan Peek—Engineer
P.O. Box 220
West Frankfort, Illinois 62896

October 10, 2012

K24GS (K25FT) FID 14303 is requesting to move to KERO-DT's existing tower which has been in place in the Bakersfield antenna location for many years. The tower is 126' tall which is much below the 200' registration requirement as well as being more than 5 miles from the nearest airport. Thus, Three Angels Broadcasting Network respectfully requests that the Commission look favorably on this application.
