

Exhibit 1 (applies to Section II – Legal 2a)

The Spreading Cheer organization, a not for profit Corporation in good standing and registered in South Carolina as of July 9, 2012, is designed to help those in need of emotional and possibly minimal financial assistance. The broadcast will be used to educate others how to do this or assist the Spreading Cheer organization in doing so. We will also use the broadcast to inform the community of meetings and other areas of citizen participation. This also applies to allowing members of the community to share other educational/informative situations.
