Dear Counsel:

On July 2, 2012, you submitted a Joint Request for Approval of Settlement Agreement (Joint Motion) to remove the conflict between Chicago 22, LLC (Chicago 22), the licensee of translator station W22AJ, Arlington Heights, Illinois, and Marcia Cohen (Cohen), the licensee of digital low power television station W25DW-D, Arbury Hills, Illinois. Specifically, you request that the Commission approve the Settlement Agreement, dated June 25, 2012, between Chicago 22 and Cohen and grant the above-referenced applications.

Upon review of your Settlement Agreement and related documents, we find that it complies with Section 311(c) of the Communications Act and Section 73.3525 of the Commission's rules. Furthermore, we find that the applicants are fully qualified and conclude that the requested Commission action with respect to the applications would serve the public interest.

Accordingly, IT IS ORDERED, That the application of Chicago 22, LLC, for a construction permit for digital displacement facilities for translator station W22AJ, Arlington Heights, Illinois, File No. BDISDTL-20120321ACG, is GRANTED. IT IS FURTHER ORDERED, That the application of Marcia Cohen for a construction permit for displacement
