

**SCHEDULES AND EXHIBITS TO THE ASSET PURCHASE AGREEMENT  
AND JUSTIFICATION FOR EXCLUSION**

Schedule 1.14 - This schedule contains the form of escrow agreement between the parties. The parties to the application believe that the schedule is not material to the Commission's consideration of the instant application, and there is no public interest rationale that would require the schedule to be made public. However, should the Commission conclude that the information contained in Schedule 1.14 is necessary for consideration of the application, it will be promptly provided.

Schedule 2.3 - This schedule lists liabilities. The parties to the application believe that the the schedule is not material to the Commission's consideration of the instant application, and there is no public interest rationale that would require the list to be made public. However, should the Commission conclude that the information contained in Schedule 2.3 is necessary for consideration of the application, it will be promptly provided.

Schedule 2.6 - This schedule lists the agreed allocation of the purchase price. The parties to the application believe that the schedule is not material to the Commission's consideration of the instant application, and there is no public interest rationale that would require the list to be made public. However, should the Commission conclude that the information contained in Schedule 2.6 is necessary for consideration of the application, it will be promptly provided.

Schedule 3.4 - This schedule lists consents. The parties to the application believe that the schedule is not material to the Commission's consideration of the instant application, and there is no public interest rationale that would require the schedule to be made public. However, should the Commission conclude that the information contained in Schedule 3.4 is necessary for consideration of the application, it will be promptly provided.

Schedule 3.6 - This schedule lists tangible personal property to be assigned. The parties to the application believe that the schedule is not material to the Commission's consideration of the instant application, and there is no public interest rationale that would require the list to be made public. However, should the Commission conclude that the information contained in Schedule 3.6 is necessary for consideration of the application, it will be promptly provided.

Schedule 3.7 - This schedule lists real property to be assigned. The parties to the application believe that the schedule is not material to the Commission's consideration of the instant application, and there is no public interest rationale that would require the list to be made public. However, should the Commission conclude that the information contained in Schedule 3.7 is necessary for consideration of the application, it will be promptly provided.

Schedule 3.8 - This schedule lists FCC licenses to be assigned. The list of FCC licenses is a matter of record at the Commission and is therefore not reproduced here.

Schedule 3.9 - This schedule lists station agreements to be assigned. The parties to the application believe that the schedule is not material to the Commission's consideration of the

instant application, and there is no public interest rationale that would require the list to be made public. However, should the Commission conclude that the information contained in Schedule 3.9 is necessary for consideration of the application, it will be promptly provided.

Schedule 3.11 - This schedule addresses labor matters. The parties to the application believe that the schedule is not material to the Commission's consideration of the instant application, and there is no public interest rationale that would require the schedule to be made public. However, should the Commission conclude that the information contained in Schedule 3.11 is necessary for consideration of the application, it will be promptly provided.

Schedule 3.18 - This schedule addresses brokers' or finders' fees. The parties to the application believe that the schedule is not material to the Commission's consideration of the instant application, and there is no public interest rationale that would require the schedule to be made public. However, should the Commission conclude that the information contained in Schedule 3.18 is necessary for consideration of the application, it will be promptly provided.
