**Re: Acknowledgement of Interference from Proposed Operation of VHF  
Translator Station K13ML**

Dear Ms. Dortch:

Hoak Media of Colorado License, LLC ("Hoak") hereby submits this letter pursuant to Section 74.703(a) of the rules of the Federal Communications Commission ("FCC" or "Commission"). Hoak is the licensee of both full-power commercial digital television station KREY-TV, Montrose, Colorado (Facility ID No. 70579) ("KREY"), and VHF translator station K13ML, Hotchkiss, Colorado (Facility ID No. 70593) ("K13ML"). K13ML rebroadcasts the programming of KREY, which is a satellite station of KREX-TV, Grand Junction, Colorado (Facility ID No. 70596).

Currently, Hoak is authorized by the FCC to operate both KREY and K13ML on channel 13.<sup>1</sup> Hoak intends to file an application with the FCC seeking to increase the ERP of K13ML to 0.268 kW ("K13ML Proposed Operation"). The K13ML Proposed Operation is predicted to cause interference to the licensed operation of KREY. By this letter, Hoak hereby acknowledges and agrees to accept such interference to KREY.

Respectfully submitted,

Eric Van Den Branden  
President  
Hoak Media of Colorado License, LLC

cc: Mr. Kevin Harding
