

December 29, 2007

Mr. Earl Thompson
Okaloosa Public Radio, Inc.
P.O. Box 189
Baker, FL 32531

Dear Mr. Thompson:

**RE: Okaloosa Public Radio, Inc.
Proposed FM facility at Quincy, Florida
Facility ID # 859095
Minor Modification to:
BPED-19970326MB**

I (Jim Killinger) understand that you agree that Okaloosa Public Radio, Inc. will correct any complaints of interference, up to and including the decreasing the operating power or ceasing the operation of the proposed FM, in accordance with all FCC rules and the complete satisfaction of WCTV. Okaloosa Public Radio, Inc. will also install filtering devices required by WCTV and it's viewers.

Signed:

Jim Killinger
Chief Engineer
