

COMPLIANCE WITH MULTIPLE OWNERSHIP RULES

By this application (the “Application”), KJUL License, LLC (“KLL”), proposes to construct a new auxiliary FM antenna system for KFRH (the “Station”). The Station is located in the Las Vegas Arbitron market. KLL, either directly or indirectly through affiliate companies, has a cognizable interest in five radio stations in the Las Vegas Arbitron market – three in the FM service and two in the AM service.¹

The attached Exhibit, *FCC Geographic Market Definition for Las Vegas, NV*, was compiled on July 16, 2009 using BIA Research, Inc.’s *Media Access Pro* database. The Exhibit lists all radio stations, including the Station, that are listed as “home” to the Las Vegas Arbitron market, or that have a community of license located within the counties comprising the Las Vegas Arbitron market.

As demonstrated in the Exhibit, there are 55 stations in the Las Vegas Arbitron market. Pursuant to the local radio ownership rules, 47 C.F.R. § 73.3555(a)(1), a person or single entity (or entities under common control) in a radio market with 45 or more full-power, commercial and noncommercial radio stations may have a cognizable interest in not more than 8 commercial radio stations in total, and not more than 5 commercial stations in the same service (AM or FM).

Because the Application proposes an auxiliary antenna for an existing station owned by KLL, a grant of this Application will not impact the number of stations owned by KLL and its affiliates. Therefore, the grant of this Application would comply with the local radio ownership rules set forth at 47 C.F.R. § 73.3555.
