

KYKX, EXHIBIT 5, MUTIPLE OWNERSHIP COMPLIANCE

Pursuant to 47 C.F.R. 73.3555(a), in markets with 15-29 or more radio stations, a company may own 6 stations, only 4 of which may be in one class, AM or FM. According to the BIA Financial Network, Inc. publication, Investing in Radio 2004, 3rd edition, there are 27 commercial broadcast radio stations in the Tyler-Longview, TX Arbitron market.

Access .1 Texas License Company LLC ("Access.1") is the licensee of 5 stations in the Tyler-Longview market. The stations are: FM stations KYKX, KOYE, KKUS and KOOL, and AM station KFRO. Because Access.1 holds licenses for less than 6 stations in the Tyler-Longview market, and only 4 of those stations are FM, Access.1 is in compliance with the Commission's multiple ownership rules.
