

## EXPLANATION OF FILINGS

The principal owner of the current licensee of WAVV was Norman R. Alpert. Mr. Alpert passed away recently and the Probate Court appointed his wife, Donna L Alpert, and his daughter, Laura Lee Lamparyk, as co-Personal Representatives. (See exhibit).

The purpose of this and other filings is to transfer control of the corporate license, Alpine Broadcasting Corporation.

There will be two filings in this transfer of control: (1) A 316 filing transferring control from Norman R. Alpert to the Norman R. Alpert Estate; and (2) From the Norman R. Alpert Estate to the Norman R. Alpert Trust. The ultimate control will be in the Norman R. Alpert Trust, with Donna L. Alpert and Laura Lee Lamparyk, as Trustees. The minority shareholders (less than 10%) interest will not change.
