

ST. PETER'S CATHOLIC SCHOOL
FORM 318 APPLICATION FOR PERMIT TO CONSTRUCT LPFM STATION
SWORN DECLARATION IN SUPPORT OF FORM 318 AND EXHIBITS

1. I, Father Gary Linsky, am pastor of St. Peter's Catholic Church, Columbia, South Carolina (the "Parish"), which operates as one of its ministries St. Peter's Catholic School, the Applicant seeking authorization to launch a new low power FM radio facility.
2. The school principal is employed by the parish as the school's sole executive officer. This mirrors the structure of the vast majority of parish operated Catholic schools.
3. I have read the foregoing Form 318 Application, as well as the exhibits and supporting documentation for the Application.
4. I have reviewed in particular the following:
 - (a) all claims regarding the nonprofit and educational nature of the Applicant, which is indeed a nonprofit entity and in good standing with the state, and which has an educational component to its mission and activities;
 - (b) all claims regarding compliance with the agency's multiple ownership or cross ownership restrictions, including any and all recusals or other certifications that the Applicant's proposed low power FM facility will not be influenced or controlled by other clergy-governed institutions in the Diocese of Charleston or any other American diocese, nor will I exercise influence or control over another broadcast facility, or other regulated media outlet, within the Diocese of Charleston or any other American diocese, notwithstanding that nothing herein is intended to contradict the authority of the Bishop of Charleston pursuant to Civil or Canon Law; and
 - (c) all claims regarding the Applicant's location, as well as the origination and duration of that location, as an established part of the community.

I hereby declare, under penalty of perjury, that the foregoing are true and correct to the best of my knowledge.
