The map displays the broadcast area for WYFU, a radio station in West Virginia. The station's logo is centered on the map. The broadcast area is outlined in green, showing a coverage region that extends across the state. Major cities and towns are marked with black dots and labeled, including Charleston, Huntington, Parkersburg, and many others. The map includes latitude and longitude coordinates along the edges, with latitude ranging from 36 to 40 and longitude from -81 to -77. The map also shows the state's border with Kentucky to the south and Ohio to the east.

Green = 60 dBu, Blue = 100 dBu
