TECHNICAL STATEMENT

This Technical Statement was prepared on behalf of Entercom Wilkes-Barre Scranton, LLC ("Entercom"), licensee of radio station WKRZ, Channel 253B, Freeland, Pennsylvania. Entercom holds a construction permit (BXPB-20140310ADH) to construct and operate an auxiliary antenna for WKRZ and herein submits an application to cover the outstanding construction permit. A calculation of the transmitter power output of the WKRZ transmitter for the auxiliary antenna is attached as Exhibit A.

There is one (1) condition attached to BXPB-20140310ADH. Condition #1 states:

*"The permittee/licensee in coordination with other users of the site must reduce power or cease operation as necessary to protect persons having access to the site, tower or antenna from radiofrequency electromagnetic fields in excess of FCC guidelines."*

Entercom acknowledges its responsibility in this matter and pledges compliance.

Based on the foregoing, it is believed that WKRZ is in compliance with the Commission's rules and that all conditions have been met.
