**TECHNICAL STATEMENT**

This Technical Statement was prepared on behalf of Oklahoma Community Television, LLC ("OCT"), permittee of digital low power/companion television translator K36IY-D, Channel 36, Weatherford, Oklahoma. OCT holds an outstanding permit for K36IY-D (BMPD TT-20091221ACZ). This instant application seeks a license to cover the outstanding permit. Attached as Exhibit A is a calculation of the transmitter output power for the K36IY-D transmitter.

There are no special operating conditions or restriction on the K36IY-D construction permit. However, OCT will, in cooperation with other tower users, reduce the power of K36IY-D or cease operation, as necessary, to insure that persons having access to the tower will not be exposed to radio frequency electromagnetic fields in excess of the FCC's guidelines. Based on the foregoing, it is believed K36IY-D is operating pursuant to the Commission's rules.
