Citadel Broadcasting Company holds an FM Broadcasting Station Construction Permit File Number BPH-20070518ADJ. The Facility ID number is 21730 and the call sign is WFBE.

The Electronics Research Inc. test report dated December 2nd, 2009 demonstrates that the antenna pattern meets the requirements of the Technical Specifications described in Section III-B-FM Engineering in the Form 301 Application for Construction Permit.

The ERI model MP-6E-DA-HW was installed with the antenna heading at 310 degrees true north. This has been confirmed by Kevin B. Cleaver, PS, who is a Licensed Land Surveyor in the State of Michigan, license number 29242.

I have reviewed the above referenced documents and the antenna installation and hereby certify that the antenna was installed pursuant to the manufacturer's instructions. I declare that the contents of this report are true and accurate to the best of my knowledge. I am a fulltime engineer with Citadel Broadcasting Company and have worked as a full time broadcast engineer for 46 years.
