

Character Issues

The members of the Applicant are also members of Venture Technologies Group, LLC ("VTG") and VTG is involved in the following petitions:

1) KMCE, Inc.

On June 26, 2006, KMCE, Inc. Filed an Informal Objection to the grant of a license to cover application for station KSCZ-LP, Greenfield, CA (FCC File No. BLTTL-20060522ABM). The Informal Objection asserted that certain allegedly inconsistent or incorrect filings made in connection with this facility raise questions as to Venture Technologies Group's ("VTG") fitness to be a commission licensee. VTG filed an Opposition to this informal objection on July 31, 2007.
