***Technical exhibit to accompany Digital Flash Cut application***

***WBVJ-LP, FI 23487 (Class A)***

***Valdosta, GA***

***New Age Media of Tallahassee License LLC***

Application is digital flashcut of BLTTA-20100326ADD for digital coverage of existing service area. TL, C/R height and antenna remain the same as the underlying analog license. OET69 analysis shows compliance with all pertinent portions of §74.793 using a stringent mask filter.

Environmental: No new construction is proposed. Existing antenna is on existing tower, ASR # 1063265. NIER is less than 5% of limit for this service.
