

Coordinate Correction  
KWSU-DTV  
Facility ID 71024

This Modification of License application is being submitted to correct the coordinates for KWSU-DTV (Facility ID 71024).

Present coordinates: 46-51-42.6 N, 117-10-29.6 W (NAD83) or 46-51-43.0 N 117-10-26.0 W (NAD27)  
Correct coordinates: 46-51-42.3 N, 117-10-32.5 W (NAD83).

These coordinates are linked to tower registration number 1034213 and cannot be changed directly on the application. Therefore, we have opened a new aeronautical study 2015-ANM-1725-OE with the Federal Aviation Administration to correct the tower coordinates.

Therefore, the proper coordinates are being presented in this exhibit. Since these corrections are less than 3 seconds, a license modification application is being submitted per 47 C.F.R. §73.1690(c)(11)
