

AMENDMENT

The Form 2100, Schedule 381 (File No. 0000001930) filed by Surtsey Media, LLC, with respect to Station KFJX(TV), Pittsburg, Kansas, Facility ID No. 83992) is hereby amended to correct the response relative to the capability of the station's primary antenna to operate over multiple channels. As reflected in this amendment, the correct answer to that question is "yes". The frequency range of the antenna is 174-216 MHz.
