

WVNS-TV, Lewisburg, WV (Fac. ID 74169)  
Schedule 381 – Item 1b database certification

An application has been filed for minor correction of the geographic coordinates for WVNS-TV based the latest GPS measurement. The file number of the WVNS coordinate correction application is 0000004085. The change in coordinates is less than 2 seconds. There is no change in tower location. Consistent with FCC Public Notice, DA 15-704, dated June 17, 2015, at note 6, FAA approval and modification of the WVNS antenna structure registration are being sought with respect to the coordinate correction.
