

**KUOK CH 35 DTV WOODWARD, OKLAHOMA  
REASON FOR STA  
JULY 17, 2015**

This application is being filed for the purpose of correcting the geographic coordinates and ground elevation of the tower to comport with FCC tower registration #1010654 as modified on July 6, 2015. The tower, TV antenna, building and utilities are existing. No on ground construction is proposed or required. The STA is believed necessary as the coordinates newly specified in the tower registration deviate by more than 3 seconds from the coordinates specified in the station license, BLCDT-20091113AAE.
