---

**Engineering Statement  
W48DV-LP FI 181206**

**Environmental Considerations:**

The antenna will be installed on an existing tower and the equipment will be in an existing building. No construction is required.

Non-ionizing radiation at ground level head height is less than 1.0% of the allowable public exposure limit. No special precautions are required

Respectfully submitted,

B. W. St. Clair  
Engineering Consultant
