Re: *NBC Telemundo License LLC*
KNTV, San Jose, California (FIN 35280)
KSTS, San Jose, California (FIN 64987)
PSIP Notifications

NBC Telemundo License LLC (“Licensee”), the licensee of broadcast television stations KNTV and KSTS, San Jose, California, hereby notifies the Commission of the stations’ PSIP multicast arrangement. Each station airs two multicast video programming streams in addition to its main stream, as follows:

KNTV, San Jose, California (FIN 35280)

- a) NBC programming on RF channel 12 using major channel (PSIP) 11.1.;
- b) COZI programming using PSIP channel 11.2; and
- c) Telemundo programming (retransmitting KSTS) using PSIP channel 48.3.

KSTS, San Jose California (FIN 64987)

- a) Telemundo programming on RF channel 49 using major channel (PSIP) 48.1;
- b) TeleXitos programming using PSIP channel 48.2; and
- c) NBC programming (retransmitting KNTV) using PSIP channel 11.3.
