*Technical Exhibit  
K16GZ-D, FI 167506  
Durango, CO  
EICB-TV East, LLC*

*The within application for minor change is filed to move to nearby existing tower and change antenna. Contour overlap is almost total; same market is served. Antenna structure is unregistered but passes TOWAIR. No new construction. NIER is less than 5% of the upper limit for this service. Interference study shows compliance of the application with applicable portions of § 74.793.*

Respectfully submitted,

B. W. St. Clair  
Engineering Consultant
