Annual DTV Ancillary/Supplementary Services Report
NBC Telemundo License LLC
WSCV, Fort Lauderdale, FL (Facility ID #64971)

In the course of uploading this report for WNBC, we were unable to bring up location and licensee information for Station WSCV, Fort Lauderdale, Florida (Facility ID #64971), which resulted in an error message making it impossible to complete the required filing.

The Help Line was contacted and Case #2650491 was opened. In order to meet the filing deadline for the remaining relevant stations licensed under NBC Telemundo License LLC, WSCV was removed from the filing. That report was subsequently submitted on December 1, 2015 (File Number: 0000007151).

We were informed that the case was resolved on December 2, 2015, so we are hereby submitting WSCV's stand-alone Annual DTV Ancillary/Supplementary Services Report.
