

KGSA-LP¹ Request to Remain Silent

The City of San Antonio, licensee of KGSA-LP (Fac. Id. 28794), San Antonio, Texas, pursuant to 47 C.F.R. § 74.763(b) and 73.1635 of the Commission's rules hereby requests authority to allow KGSA-LP to remain silent for more than 30 days. The licensee suspended the station's operations on December 28, 2015 to relocate certain equipment to be used in connection with the licensee's construction of the station's digital facilities per construction permit 0000004779. Licensee filed a Notice of Suspension of Operations on January 6, 2016 in file 0000007593.

Licensee had hoped to return KGSA-LP to the air before the 30 day period ended, but it has been unable to do so. Therefore, City of San Antonio now requests additional authority from the Commission to allow KGSA-LP to remain silent for a further period of six months.

¹ On January 15, 2016, the FCC granted the City of San Antonio's request to change the station's call sign from KTDF-LP to KGSA-LP.
