Re: **KHMT(TV), Hardin, Montana (Facility ID No. 47670)**
Notification of Resumption of Full Power Operation

Dear Ms. Dortch:

On December 10, 2015, Mission Broadcasting, Inc. ("Mission"), the licensee of KHMT(TV), Hardin, Montana, filed a request for Special Temporary Authority ("STA") to operate below the 80% power minimum specified in Section 73.1560(c) in order to complete repairs to its damaged transmitter. Mission hereby notifies the Commission that the repairs are complete and KHMT(TV) has returned to full power operation.

Accordingly, the STA that the Commission granted on December 14, 2015 (*See* FCC File No. 0000007272) is no longer needed.

If any questions should arise concerning this matter, please do not hesitate to contact the undersigned directly.

Sincerely,

Gregory L. Masters
