

ATTACHMENT CHILDREN'S E/I REPORT 1Q 2016

On April 8, the station KUVB-CD timely filed the E/I Children's Report for the April 11 deadline. However, rather than selecting the appropriate quarter from the FCC'S LMS drop-down the station erroneously filed the 1st quarter report as the 2nd quarter. On April 12 the station submitted the correct quarter and will amend the 2nd quarter when it becomes due.
