WYDC, Inc.

REQUEST FOR EXTENSION OF
SPECIAL TEMPORARY AUTHORITY

As WYDC, Inc. ("WYDC"), the licensee of digital low power television station W16BE-D, Hornell, New York, has previously advised the Commission, problems with the station's transmitter required the station to cease operations as of November 2, 2015. WYDC is investigating solutions to remedy this matter and intends to resume the broadcast operations of W16BE-D in the near term. In the meantime, WYDC respectfully requests a grant of special temporary authority to remain silent. WYDC is aware that W16BE-D's licensed operations must resume by November 1, 2016, and WYDC will inform the Commission when W16DE-D resumes operating.
