

**WWKQ-LP CH 19 APPLICATION FOR COMPANION CHANNEL
ENVIRONMENTAL ANALYSIS
JUNE 24, 2016**

CMCG Puerto Rico License LLC currently employs a broadband panel antenna at its licensed CH 26 site as authorized in BLTTL-20140508ABB with an ERP of 5 kilowatts. The DTV companion channel proposed herein specifies the licensed antenna system and a DTV ERP of 2.48 kilowatts representing a 50% reduction in ERP.

The applicant will comply with OET-65 worker and public exposure guidelines and cease transmission or lower power as necessary to comply with those guidelines.
