

NOTE:

The First Quarter 2016 Children's Programming Report for WBXN-CD, was inadvertently identified as the Second Quarter 2016 report when filed on April 11, 2016. Per FCC instructions, an amendment was submitted on April 18, 2016 correctly identifying the report as First Quarter 2016.

Due to the above, an amendment for the Second Quarter is being filed to appropriately identify the Second Quarter 2016 report therefore, bringing the reports in line with the quarterly filing periods.
