

Sonrise Communications Inc.
Notice of Silent Status and Request for Special Temporary Authority
KWMS-LP, West Monroe, LA
Fac. Id. 131349

Application Description

On August 20, 2016, lightning damaged the KWMS-LP transmission system. Applicant is continuing to evaluate the damage to determine what repairs are needed, but is presently off the air due to the damage. Applicant requests special temporary authority to remain silent for 180 days, though it is hopeful that a return to on-air operations is possible sooner.
