To Whom It May Concern:

On April 8, 2016, WDIV inadvertently filed its 1st Quarter 2016 Quarterly Children's Television Programming report (FCC 398) as a 2nd Quarter 2016 report in the FCC's new LMS electronic filing system. WDIV immediately corrected that error by timely filing the 1st Quarter 2016 Children's Television Programming Report. WDIV is now submitting this amended version of the 2016 2nd Quarter report to describe the station's actual 2016 2nd Quarter children's programming activity.

Sincerely,

Kathy Salazar  
VP/Business Manager
