Children's Programming Commercial Limit Compliance Report

Quarter Ending: 09/25/16

The Children's Television Act of 1990, as enforced by the Federal Communications Commission, requires this station to schedule, on a regular basis, 3 hours per week of programming, between the hours of 7:00am and 10:00pm, designed to meet the educational and information needs of children ages 16 years and under. The CTA also limits the amount to commercial announcements allowed, during any such programming which is specifically aimed at an audience of children ages 12 years and under, to 12 minutes per hour Monday through Friday, 10.5 minutes per hour on Saturday and Sunday.

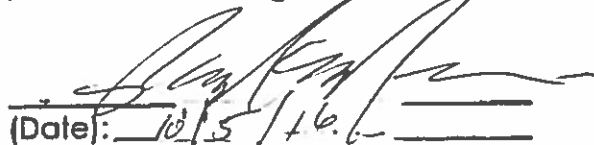

It is the policy of KASW to comply with the Children's Television Act of 1990 by limiting the amount of commercial announcements scheduled during any designated Children's Programming, aimed at a target audience of children ages 12 and under, to 12 minutes per hour on weekdays, 10.5 minutes per hour on weekends.

Any excess in the amount of commercial announcements, as prescribed by the Children's Television Act of 1990, aired on KASW during the above listed quarter year are listed below.

Commercial Overages:

None

I hereby certify that the above statement is true and that all listed commercial overages are accurate to the best of my knowledge.
