Re: Notification of Resumption of Licensed Operation  
Rocky Mountain Public Broadcasting Network, Inc.  
NCE Station KRMZ, Steamboat Springs, CO (Facility ID 20373)

On behalf of Rocky Mountain Public Broadcasting Network, Inc. (“RMPBN”), licensee of noncommercial educational television Station KRMZ(TV), Steamboat Springs, Colorado, we hereby inform the Commission that KRMZ has resumed regular, licensed operation following a period of silent status under Special Temporary Authorization (“STA”).

By online filing dated September 8, 2016, in FCC File No. 0000013950, RMPBN requested silent STA for KRMZ’s temporary silent status due to technical issues. The Commission granted the STA on September 9, 2016. RMPBN now notifies the Commission that KRMZ has resumed regular, licensed operation.

RMPBN is a noncommercial educational licensee and operates KRMZ on a noncommercial educational basis. The licensee is therefore exempt from FCC filing fee and regulatory fee requirements for KRMZ, pursuant to Sections 1.1116 and 1.1162 of the Commission’s rules. Should any questions arise regarding this matter, kindly contact this office.

Very truly yours,
