

Request for Special Temporary Authority Attachment

Analog TV translator station K44DD, Chama, N.M. (Fac. ID 48558) request special temporary authority to operate the station as silent pending completion of repairs. The station is in a very remote and hard-to-reach location, but station personnel continue efforts to facilitate resumption of operations.

Grant of the STA would be in the public interest so that station personnel can continue ongoing efforts to resolve the issue and restore service.
