Re: W42EI-D, Georgetown, Delaware, FCC Facility Identification Number 187976

Dear Secretary:

Engle Broadcasting, LLC, permittee of low power television broadcast station W42EI-D, Georgetown, Delaware, FCC Facility Identification Number 187976, hereby gives its consent to WBOC, Inc., as proposed assignee of the station, to file a request for modification of construction permit of said station and any related requests pertaining thereto.

It is respectfully requested that the application be processed as a contingent application pursuant to Section 73.3517 of the Commission's Rules and that such application be granted with the condition that said grant will be effective upon approval and consummation of the assignment application contemplated herein. Please note that the application for assignment of license of W42EI-D is similarly being filed conditioned on the grant of the instant application. Accordingly, this consent is being given with the request that the Commission grant the instant application, with appropriate condition, simultaneously with the grant of the assignment application.

Engle Broadcasting, LLC certifies that neither Engle nor any of party of Engle, including its members, is subject to a denial of federal benefits pursuant to that section. For the definition of a "party" for these purposes, see 47 C.F.R. Section 1.2003(b).

Very Truly Yours,

Paul Engle, Member  
Engle Broadcasting, LLC
