

Reason for Amendment

The instant amendment is filed to reflect a change in digital core program #7. Mystery Hunters aired Sundays 7-7:30 and 7:30-8 during the quarter rather than Saturdays 10-10:30 and 10:30-11. As a result of this correction, the average weekly hours of core programming on other than the main program stream was corrected and reduced to 8.00. There are no other changes.
