In re: Low Power Television Application of:
Regents of New Mexico State
University
Channel 18, Caballo, NM
File no.: 0000021402
Facility Id No.:130751

Dear Applicant:

We are currently processing the above captioned application. Our preliminary analysis indicates the following:

The tower height above ground level is specified as 2363.9 meters, if the tower height as indicated is correct the tower requires registration with the FAA.

In addition, the exhibit titled as shown below:

RFR Exhibit.doc

Applicant

Construction Permit Certifications

RF Exposure Exhibit

The exhibit is a blank page when opened for review. Please resubmit this exhibit as a docx or pdf document.

If you do not amend your application electronically within 30 days from the date of this letter to resolve the above deficiencies, we will dismiss your application.

Sincerely

A handwritten signature in dark ink, appearing to read 'Hossein Hashemizadeh', written over the printed name.

Hossein Hashemizadeh
Deputy Chief
