Re: DTS Engineering STA
File No. 0000021926
WMBC-TV
Facility ID: 43952

Dear Ms. Dortch:

On February 7, 2017, the above-referenced request for Special Temporary Authority ("STA") was submitted on behalf of WMBC-TV to report that, on or about January 31, 2017, a failure in the station's transmission system for the WMBC-TV DTS (Site 1) facility, located in Montclair, New Jersey, required discontinued or reduced operations.

Pursuant to Sec. 73.1740(a)(4) of the Commission's rules, please be advised that the station has restored normal operation, prior to the expiration of the 30-day STA period.

Should there be any questions regarding this matter, please contact the undersigned.
