

### **Silent Notification and Request for Silent Authority**

The station went silent on April 30, 2017 because it is losing its tower lease. The licensee respectfully notifies the Commission of the station's suspension of operation and requests special temporary authority for the station to remain silent. Because this station was a winning bidder in the Incentive Auction, licensee is not actively seeking a new tower lease. Prior to ceasing operations, the station provided the required notification to viewers for at least 30 days.
