Re: **Compliance Report**
Entravision Holdings, LLC
FRN: 0001529627

December 7, 2016
Dear Ms. Kreisman

The undersigned serves as the Compliance Officer for Entravision Holdings, LLC ("Entravision"). Pursuant to Paragraph 4 of the Compliance Plan that Entravision has entered into with the Federal Communications Commission (*Entravision Holdings, LLC*, 30 FCC Rcd 14110, 14125 (MB 2015) ("Consent Decree"), Entravision is hereby providing its Compliance Report due on or before the anniversary of the December 11, 2015 Effective Date of the Consent Decree.

The undersigned wishes to report that, during the preceding twelve-month period, Entravision has carried out its obligations as provided by the terms of the Consent Decree in the following manner:

1. Entravision appointed Mr., Federico Gagliardone, a Vice President, to serve in the position of Entravision's Compliance Officer. In turn Ms. Ana Eliza Lara, a paralegal employed by Entravision, was appointed to serve as the Compliance Officer's assistant. The Compliance Officer, accepted the responsibility for administering Entravision's Compliance Plan and ensuring that Entravision complies with the terms of the Consent Decree and its Compliance Plan.

2. During this period, Entravision, through the Compliance Officer, has taken the following actions:

A. It has engaged independent counsel, with knowledge of broadcast regulatory matters, to advise the Compliance Officer and to provide the Compliance Officer with regular updates and notices on developments in communications laws and FCC procedures (including the online public inspection files) applicable to Entravision's stations and station operations. Outside counsel has reviewed materials prepared by Entravision personnel and the

Compliance Officer and has reviewed all applications, documents and reports during the filing process.

B. Upon the Compliance Officer's appointment, the Compliance Officer educated himself as to the provisions of the Community Broadcasters Protection Act of 1939 ("CBPA") and Section 73.3526 of the Commission's Rules. The Compliance Officer has prepared operations and original training materials on these subjects and has undertaken both training sessions for station employees and management and established an auditing procedure to confirm that station personnel are in compliance with the relevant provisions of the CBPA and Section 73.3526.

C. In connection with each training session, the Compliance Officer has maintained detailed records of the training provided, including recordings of all sessions. The Compliance Officer inadvertently failed to place certifications in the stations' public inspection files on the required basis. Those certifications have now been lodged in the applicable public inspection files and the Compliance Officer has taken the necessary actions to ensure that during the remainder of the compliance period that timely reports of the annual training sessions will be placed in the applicable public inspection files.

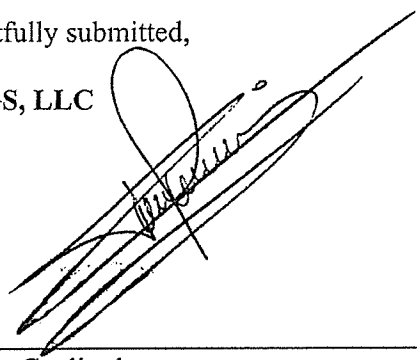

D. A program for training of new employees responsible for CBPA and/or Section 73.3526 compliance, within five business days of the commencement of their service, has also been prepared. As of this date, there have been no new employee hires for which the training program would have been applicable.

The undersigned wishes to advise the Commission, as an agent and on behalf of Entravision, that he has personal knowledge that Entravision: (i) has established and implemented the Compliance Plan and (iii) is not aware of any instances of noncompliance with the terms of the Consent Decree or Compliance Plan, except as described herein.

Should there be any questions concerning this Compliance Report, please communicate with the undersigned or with outside counsel for Entravision.

Respectfully submitted,

ENTRAVISION HOLDINGS, LLC
