

Application for Modification of License
NRJ TV III CA License Co., LLC
KNLA-CD, Los Angeles, CA (FCC Facility ID No. 167309)

Statement of Common Ownership

NRJ TV III CA License Co., LLC ("NRJ") is the licensee of Class A television stations KNET-CD, Los Angeles, CA (FCC Facility ID No. 3167) and KNLA-CD, Los Angeles, CA (FCC Facility ID No. 167309). In the Incentive Auction Closing and Channel Reassignment Public Notice, DA 17-314, the FCC announced that it had accepted NRJ's "go off-air" bid for KNET-CD and that KNET-CD had filed a pre-auction CSA and expressed an intent to enter into a post-auction channel sharing agreement.

This application seeks to modify the license of KNLA-CD to reflect that it is sharing its licensed facility with KNET-CD. Because KNET-CD and KNLA-CD are both licensed to NRJ, Media Bureau staff has advised NRJ that no channel sharing agreement is required.
