**Re: Cranston Acquisition, LLC
KMCC, Laughlin, Nevada (Facility Id. No. 41237)
File No. 0000021548
File No. BLCDT-20131118BCD**

Dear Ms. Dortch:

I am counsel for Cranston Acquisition, LLC ("Cranston"), licensee of television broadcast station KMCC, Laughlin, Nevada, Facility Id. No. 41237, in connection with the above captioned application for license and previously granted request for an Engineering STA. Cranston requested special temporary authority for KMCC to operate with reduced power at the station's two tower sites while the station ordered replacement components. The Commission granted the Engineering STA on January 25, 2017.

Cranston has completed the repairs and KMCC is operating with its permitted facilities. Cranston requests the Commission grant the covering license application and cancel the Engineering STA.

Please contact the undersigned directly if there are any questions concerning this matter.

Respectfully submitted,

David G. O'Neil
