Attributable Interests/Multiple Ownership Compliance Exhibit

The licensee of WVIR-TV is Virginia Broadcasting, LLC, a limited liability company owned by a corporation and a charitable remainder trust, both of which are 100% controlled by Bernard E. Waterman.

Mr. Waterman also controls 100% of the licensee of WBBH-TV, Facility ID 71085, Ft. Myers, FL, through a trust and intermediate corporation. The licensee of WBBH-TV also has an attributable interest in WZVN-TV, Facility ID 19183, Naples, FL, through a pre-1996 grandfathered time brokerage agreement. Neither of these two stations is located within or geographically near the Charlottesville Designated Market Area (DMA).

Thus while Mr. Waterman has an attributable interest in three broadcast stations, WVIR-TV is the only station in or near the Charlottesville DMA in which Virginia Broadcasting, LLC, or Mr. Waterman has any ownership interest.
