Dear Applicant:

We are currently processing the above captioned application. Our preliminary analysis indicates the following:

On July 12, 2017, our International Bureau received notification from the Mexican Authorizes that they have objected to the grant of the above referenced digital application because it is predicted to cause harmful interference to the following Mexican facility:

1. A Mexican complementary station to XHUAA ch-22 in Tecate, BN.

If you do not amend your application electronically within 30 days from the date of this letter to resolve the above deficiency, we will dismiss your application.

Sincerely

Hossein Hashemzadeh
Deputy Chief
Video Division
Media Bureau
