

# Channel and Facility Information\*

## Proposed Community of License

1. Facility ID: 10259
2. State: DC
3. City: Washington
4. DTV Channel: 9

---

\* The FCC's LMS form will not permit the specification of a new community of license. Therefore, this exhibit provides the correct information as would have been entered into the form. Pursuant to FCC staff instructions in similar cases, the applicant will work with the FCC staff to ensure that the proper community of license for the proposal is specified as indicated above.
