

ENVIRONMENTAL STATEMENT  
Metro TV, Inc.  
August, 2017

From an environmental perspective, the proposed construction would involve only lowering of the authorized height of the transmitting antenna and a reduction of the authorized ERP on the existing tower with no change to the structure and would have no impact on the environment.

The power of other facilities on the tower will be reduced or operation ceased as needed per OET recommendations while tower workers are in the vicinity of the various antennas.
